

June 20, 2011

Per the terms of the Tata Chemicals North America Inc. and Tata Chemicals (Soda Ash) Partners (collectively "Tata Chemicals") Natural Gas Energy Adjustment Programs, below is the three month forward average of the NYMEX Henry Hub natural gas index as of the close of business on June 15, 2011.

	<u>\$/MM BTU</u>
July	4.577
August	4.611
September	<u>4.635</u>
Average	4.607

Therefore, Tata Chemicals' natural gas energy adjustment surcharge for soda ash purchases made during the third quarter of calendar year 2011 is \$0.0/NT.
