**CHALLENGES FOR PARENTS** | Difficulty being faced in admitting children under RTE Act; private schools cite full occupancy despite existing vacancies

# Struggle with RTE admissions

MUMBAI

Many of the parents from the disadvantaged and economically weaker sections in the state are having a hard time admitting their children to

private schools under the

Right to Education (RTE) Act. The Movement for Peace and Justice (MPJ), which had successfully petitioned against the state government exempting certain private schools from having to reserve seats for RTE admissions, has complained that the valid documents submitted by the parents are being rejected. In a letter to the state director of education, the organisation has alleged that some of the schools are outrightly denying admissions, citing reasons such as full occupancy of seats, even when vacancies exist.

The state has resumed the RTE admission process after the Bombay High Court (HC) last month ruled against the state's decision to exempt those private schools that are in the vicinity of governmentrun and aided schools from admitting marginalised students on 25% of their seats. However, only 54,690 out of 93,009 parents who were allotted seats in schools across the state have con-

firmed their admissions.

According to MPJ Maharashtra president Muhammad Siraj, one of the main reasons for the poor confirmation rate is the slow pace of the document verification carried out by talukalevel scrutiny committees.

"There are long queues of parents awaiting verification, causing immense frustration. In many places, the committees refused to validate the documents on various pre-

texts. There is also a delay in acquiring income certificates from tehsildar offices," he

MPJ, in its letter, has also alleged that many schools are refusing to admit the students, claiming that their seats are already filled. Siraj said that it's a violation of the HC order, which clearly said that even if the schools have already allotted the seats meant for 25% admissions to other students before the verdict, their total seats can be increased to accommodate the learners from marginal-

ised sections.

"These issues collectively paint a grim picture of the challenges faced by vulnerable sections of society in accessing their right to education. We believe that the root cause of these problems lies in a lackadaisical attitude towards the implementation of the RTE Act," reads the letter submitted by the

organisation.

■C, in July, quashed the notification,

While the school education department extended the deadline for securing the seats from July 31 to August 5, the organisation is demanding that it should be extended even further to allow the remaining applicants to confirm their admissions. It has also demanded that the government streamline the verification process, enhance the server capacity and issue clear guidelines to schools.

# Ministry releases policy for 2025 Haj pilgrimage

**FPJ News Service** 

MUMBAI

The Ministry of Minority Affairs released the Haj policy for the 2025 pilgrimage, corresponding to the 1446 Hijri Islamic year, on Monday. The pilgrimage will happen during May-June 2025 and registrations are expected to start in September 2024.

The 31-point policy said that 70% of the quota allocated to India by Saudi Arabia will be distributed through the government's Haj Committee of India (HCoI) and the rest through registered private Haj operators. The quota will be announced later during the

Like this year's Haj, which ended on June 19, next year's pilgrimage will also be held in peak summer. This year, extreme day temperatures that touched 51.8°C caused around 1,300 casualties, including nearly 100 Indians. However, the 2025 Haj will be the last one to be held during the height of summer before the pilgrimage moves to cooler months for the next 17 years. This is because the Hijri year has 354 or 355 days.

Pilgrims will be selected through a Qurrah, or draw of lots, with first preference for those aged 65 and above. Women above 45 years can travel without a Mehram, or

companion, in groups of four or above. Repeaters will not be allowed to travel through the HCoI quota except under some exceptions. As in the past, there will be a special category of pilgrims called 'Khadim-ul-Hujjaj', or government employees, selected to assist the Consulate General of India in Saudi Arabia in managing the pilgrimage.

Considering the harsh and strenuous conditions during the pilgrimage, those aged 65 and above will not be allowed to travel alone. Medical requirements include health certificates and proof of vaccination for polio and meningi-

The policy has declared that pilgrims will not be allowed to file complaints under the Consumer Protection Act, 2019, for any deficiency in service or 'acts of commission / omission' by the HCoI as it is a 'no profit-no loss' organisation not covered

Pilgrims have also been advised to use the 'Haj Suvidha' mobile application launched before the 2024 Haj for assistance in travel. accommodation, emergencies and language translation.

In 2024, 18 lakh pilgrims, including 1.75 lakh Indians. travelled to Saudi Arabia for Haj. However, the unofficial number of pilgrims is believed to have exceeded 20 lakhs, including those without Haj permits.
