Tata Chemicals' Mambattu Unit Wins Bronze at CII National EHS Excellence Awards 2025

Mumbai, 26 May 2026: Tata Chemicals Limited's Mambattu Unit has been conferred with the Bronze Award at the 18th Edition of the CII National EHS Excellence Awards 2025, in recognition of its strong commitment to Environment, Health and Safety (EHS) practices and workplace safety standards.

Organised by the Confederation of Indian Industry (CII), the National EHS Excellence Awards recognise organisations that demonstrate exemplary performance in strengthening workplace safety, environmental stewardship, occupational health standards and sustainable operational practices.

The recognition reflects Tata Chemicals' continued commitment to strengthening its safety culture, improving EHS systems, and maintaining safe and sustainable operations across its manufacturing facilities.

Commenting on the achievement, Mr. Narashimha V. Kamath, Chief – Manufacturing, Corporate Safety & Sustainability, Tata Chemicals Limited, said, "At Tata Chemicals, safety is a core value embedded across our operations and decision-making processes. This recognition from CII reinforces our commitment towards creating a safe, healthy and environmentally responsible workplace. We dedicate this award to our employees and teams whose consistent efforts and vigilance continue to strengthen our EHS culture."

Tata Chemicals remains committed to continuously enhancing its EHS practices through innovation, employee engagement, process excellence and adherence to global safety standards.
