Dear Sirs,

Sub: Intimation under Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('SEBI Listing Regulations')

With reference to the captioned subject, we would like to inform you that the Hon'ble High Court of Gujarat has passed an order in Writ Petition No. 26530 filed by the Company. This petition challenged the Collector's Order dated April 10, 2006, which rejected the pre-existing rights of the Company over the land on which legacy open wastewater channels were running into the sea at Mithapur, Gujarat.

The Company is now operating through, state-of-the-art closed deep-sea wastewater discharge pipeline and is fully compliant with all regulatory requirements. The legacy open channels in question are not operational and are not in use.

The Hon'ble High Court, vide its order dated May 25, 2026, has rejected the Company's pre-existing claim over the legacy waste water channels established prior to 1987 and has directed the Gujarat Pollution Control Board (GPCB) to engage experts to conduct an assessment of environmental impact caused to the area and determine the appropriate remediation and compensation.

The Company is currently examining the said Order and will evaluate its future course of action.

The Company continues to work with all authorities and agencies to uphold highest environmental standards and will continue the work to protect the ecology and environment of the region.

The requisite disclosure as mandated under Regulation 30 read with Schedule III of the SEBI Listing Regulations and SEBI Circular No. HO/49/14/14(7)2025-CFD-POD2/I/3762/2026 dated January 30, 2026, is enclosed herewith as an Annexure.

We request you to kindly take the above information on record.

**Yours faithfully,
For Tata Chemicals Limited**

**Jeraz E. Mahernosh
Company Secretary
(FCS 7008)**
