# Mamata to move court over Nandigram result

To take oath tomorrow; Centre seeks report from Bengal on post-poll violence

ISHITA AYAN DUTT  
Kolkata, 3 May

After leading her party to a stunning victory in West Bengal, Chief Minister, Mamata Banerjee, was unanimously elected leader of the Trinamool Congress legislative party on Monday and will take oath on May 5.

Senior leader Partha Chatterjee said that Banerjee would take oath on May 5 and the newly elected MLAs would be sworn in on May 6. Banerjee met Governor Jagdeep Dhankhar in the evening. The governor later tweeted: taking note of communication @AITCOOfficial electing @MamataOfficial as leader of 17th Legislative Assembly have invited her to take oath of office of Chief Minister on May 5 at 10:45am at Raj Bhawan. In view of current Covid situation function will be with limited audience.

Banerjee lost her seat — Nandigram — to her former protégé turned adversary, Suvendu Adhikari by 1,956 votes and would have to get re-elected in six months.

On Nandigram results, she said on Monday, "How can the Election Commission reverse the decision after announcing it. We will move court."

She said that the returning officer messaged someone that if he allowed recounting in Nandigram then his life would be in danger.

However, Banerjee said that the oath-taking ceremony would be low-key in the view of the pandemic.

Banerjee's swearing-in of 2016 was anything but that,

with politicians across party lines in attendance — from Bihar Chief Minister Nitish Kumar, Delhi Chief Minister Arvind Kejriwal, then Uttar Pradesh Chief Minister Akhilesh Yadav, National Conference's Farooq Abdullah and RJD's Lalu Prasad. Arun Jaitley, then Union Finance Minister, and Babul Supriyo, then Union Minister of State for Urban Development, were also there. This time, too, Banerjee was congratulated by several political leaders like — Maharashtra Chief Minister, Uddhav Thackeray, Punjab Chief Minister, Amrinder Singh, apart from Arvind Kejriwal and Akhilesh Yadav.

But Banerjee is not yet chalking out plans for the general elections of 2024. "I am just a street fighter. I can boost up people so that we can fight against BJP. But one person can't do everything alone. I think all together we can fight

the battle for 2024. But let's fight Covid first," she said in response to questions around the elections of 2024.

She has made Covid management her immediate priority. Banerjee said that she had already asked for 3 crore doses from the Centre — 1 crore for the private sector and the balance for the state on payment basis. However, she added that the central government should consider giving vaccines for free. "We are requesting the Centre to sanction ₹30,000 crore for universal vaccination."

Banerjee also appealed to everyone to maintain peace as post-poll violence was reported in many parts of Bengal. The MHA (ministry of home affairs) has asked West Bengal government for a report on post-election violence targeting opposition political workers in the state, tweeted spokesperson, MHA.

West Bengal was in the throes of widespread violence on Monday that allegedly left several BJP workers dead and injured in clashes, and shops being looted, prompting the Union Home ministry to seek a factual report from the state government on incidents of attack on opposition workers.

BJP claimed at least six of its workers and supporters, including a woman, were killed in attacks the party blamed on the TMC.

## Stalin to chair DMK MLAs meeting today

The DMK on Monday announced convening a meeting of the party's newly elected MLAs on May 4, where party chief M K Stalin is likely to be elected their Legislature Party Leader.

The DMK chief, who led his party to a comfortable win against the ruling AIADMK after a ten-year stint in the opposition, is now set to take over as Chief Minister.

## Date of swearing-in of new LDF govt soon

Kerala Chief Minister Pinarayi Vijayan on Monday said a date on the swearing-in of the new LDF cabinet and proposed new faces would be decided after a meeting of the Left front.

## BJP to send central observers to Assam

The BJP is likely to finalise its choice of chief ministerial nominee for Assam in a day or two as internal consultation within the party has begun amid a suspense over whether it will continue with incumbent CM Sarbananda Sonowal or bring in a new face.

## Early signs...

The government has also allowed deployment of medical interns for Covid duties under the supervision of their faculties as part of internship.

Medical personnel completing 100 days of Covid duties will be given priority in forthcoming regular government recruitments. Agarwal said that a run-away spread of infection may overwhelm healthcare infrastructure and various core capacities were needed for management of patients. "While the government is working towards the supply side approach, it is important to focus on the demand side management in terms of infection spread."

Vacant posts of doctors, nurses, allied professionals and other healthcare staff have to be filled through an accelerated process within 45 days through contractual appointment, the health ministry said.

**Advice for mild Covid cases**  
Chest CT scan for patients with mild symptoms of Covid was not advisable, AIIMS chief Randeep Guleria said. He said one such CT is equal to getting 300 X-Rays and in younger people being exposed to such radiation can increase the risk of cancer in later life. "Even in mild cases, some patches will come in the scan but it gets better on its own."

Guleria also said that testing biomarkers through blood samples for mild illness was also not required and should be done in moderate cases in order to avoid over-treatment.

On vaccines for those who

have recovered, Guleria said that while the current advice was that such patients need to take both doses, there was a discussion in the scientist community if only one dose would act as a booster shot. "The infection itself could be a primer dose...The guideline as of now is that you should take both doses if you have recovered from Covid," he said.

## E-way bills...

August had seen 49.4 million e-way bills, an average of 1.59 million per day. The economy had started showing recovery signs in September last year after the impact of the lockdown in the first quarter wore off. GST collection has been exceeding ₹1 trillion since October last year.

"GST collection is likely to dip below ₹1 trillion in May, which was being achieved for the last several months. Also, with the recent announcement on waiving late fees and reduced interest rates for GST filings, a lot of businesses may defer tax payments in May, resulting in reduced tax revenues in the coming months," said Harpreet Singh, partner, KPMG. M.S Mani, senior director, Deloitte India, said the all-time high collection in April, which relates to supplies made in March, could now give way to a muted mop-up in the coming months.

"While some of the services sectors such as hospitality, entertainment and aviation have been grappling with a significant decline in their businesses, any reduction in e-way bill generation could point towards a significant decline in GDP," said Mani. Rajat Mohan, partner, AMRG Associates,

## PMI...

The surge in Covid cases could dampen demand further when firms' financials are already susceptible to the hurdle of rising global prices, De Lima added. April saw the steepest increase in input costs in nearly seven years.

While output and sales increased at the slowest rates since last August, there was a faster upturn in international orders. New export orders increased for the eighth consecutive month in April. The rise was associated with a pick-up in international demand for Indian goods, with all three monitored sub-sectors registering expansion, the report said. The quantities of purchases expanded at one of the strongest rates seen for over nine years as firms sought to boost their inventories.

This is well reflected in India's official trade data for April. India's merchandise exports in April touched \$30.21 billion, a growth rate of 197 per cent as compared to last year. Compared to April 2019, the growth rate stood at 16 per cent.

Stocks of finished goods declined in April as companies reportedly utilised existing inventories to meet sales requirements. "Some firms also linked the fall in post-production stocks to a lack of raw material availability. Underlying data showed a further deterioration in vendor performance, but supplier delivery times lengthened to a lesser extent in April. Delays were often blamed on the Covid-19 pandemic, transportation issues and material shortages," the report pointed out. PMI survey participants also signalled a steep increase in input costs, the quickest since July 2014, and upward revisions to selling prices.

## RBI's LEF...

With April coming to an end on Friday, contracts matured and the foreign banks are now flooded with dollars.

Dealers in foreign banks say they are not sure if they can directly deploy the dollars to

the US treasury. In the absence of clarity, the dollars have swelled in the cash market. Separately, market sources say, some large public sector banks have been told by a "higher authority" that local rupee liquidity should not be touched and if dollars are to be parked in the US treasury, it should be done from the foreign books, and not be creating synthetic dollars from local rupee liquidity.

According to Amit Pabari, managing director and CEO of CR Forex, the IPO has caused investors to sell dollars in the spot market to get rupees and take a contrary position in the nearest May forwards, pushing up forward points by 10 paise to 34-36 paise.

Once IPO subscription and share allotment are done, the contra entry trade (buy forward) will be settled through selling the position. And then we will see premiums back to normal levels," Pabari said. Besides, the Covid crisis has also imposed severe restrictions on operations of public sector banks and they are not as active in the market as they used to be, say currency dealers.

The reason for this spike in forward rates is baffling. The RBI's forward intervention may have a role to play as it intervened to cool the forward rates in March. This is a market dislocation that needs to be sorted out," said Paresh Nayyar, head of FX and fixed income at First Rand Bank.

According to a senior dealer with a foreign bank, this kind of disruption would be commonplace in the coming days because of the LEF.

Whenever the smooth movement of money is restricted, these disruptions flare up once in a few months. The RBI must have a relook on its LEF rules," said the senior dealer, requesting anonymity. The elevated cash-tom points reverberated across the forward curve with one month forward yield at 7.5 per cent, while the one-year forward yield has risen from 4.70 per cent to 5 per cent over the last few trading sessions, according to Goenka.

## Adar...

He was speaking in the context of the future price to the Centre and state governments.

Poonawalla, who left for the UK recently, said in an interview that he was getting threatening calls from powerful people in India for delivering vaccine.

NEW DELHI: The defence adviser at Tanzanian High Commission has died of Covid-19 at a hospital in the national capital, in perhaps the first case of death of an official of a foreign mission due to coronavirus infection, people familiar with the development said on Monday. Col Moses Beatus

**LOSS OF LONE SEAT AND VOTE EROSION**

**BJP red-faced in Kerala**

K RAVEENDRAN  
Thiruvananthapuram

CM Pinarayi Vijayan submits his resignation to Governor Arif Mohammad Khan. —ANI

The BJP, which had been eyeing an increase in seats to at least 5, as desired by Modi-Shah duo, ended up losing its lone seat in the outgoing assembly and saw its vote share go down from 15.01% to 12.4% in the just-concluded Kerala election. In the outgoing assembly, the BJP held the Nemom seat in Thiruvananthapuram, which was conceded by former Sikkim governor Kumanam Rajasekharan, who contested this time, to the same man his predecessor had defeated in 2016.

The saffron party has been consistently increasing its vote-share in consecutive polls, giving the party leadership a ground to celebrate, although the party has never won a seat in the assembly or Lok Sabha, except for 2016 poll. It was in this context that the central leadership asked the state party to increase the number of seats. In fact, Prime Minister Modi is understood to have told the state leadership that percentage increases in the total votes were not good enough, but it had to increase the number of seats, at least to five this time.

The dismal show has the state party leadership scurrying for cover and it is believed the central leadership is upset and this could see heads roll in the days

meant the party polled its votes in favour of the UDF candidates rather than vote for its own candidates. This was clear trading and it was organised by some UDF leaders, whose confidence of a victory, as per to Vijayan, was based on the calculations. But he said the secular-minded voters decided the government's welfare programmes must continue, frustrating the UDF design. The CM cited cases where the strategy worked. For instance, in Sultanbathery, the UDF candidate won by 11,822 votes and there was a drop of 12,488 in BJP's vote-share.

In the prestigious Pala seat, where Kerala Congress-M chairman Jose K Mani lost to his UDF rival Mani C Kappan, handing down a highly embarrassing defeat for the ruling front and the Kerala Congress faction that crossed over to LDF ahead of the poll, there was a loss of 14,000 votes in the BJP share.

The UDF candidate won the seat by over 4,000 votes. Vijayan claimed the 2016 success of BJP, which helped the party win the Nemom seat, was also the result of such vote trading between UDF and the saffron party.

Earlier in the day, Vijayan drove to Raj Bhavan around noon and submitted his resignation letter to Governor Arif Mohammed Khan. He will continue as the CM till the new government is sworn in.

**Rangasamy stakes claim to form govt**

**BJP extends support to AINRC in Puducherry**

N CHITHRA  
Chennai

Ending speculation over the BJP eyeing Chief Ministership in Puducherry, the party on Monday extended support to its senior partner All India NR Congress. Following this the AINRC leader N Rangasamy, a former Congressman, is set to be sworn in Chief Minister of the first NDA Government in the Union Territory.

The BJP had zero presence in the House for years, managed to get 6 of its candidates elected to the 30-member Legislative Assembly. Some were defectors from the Congress.

The AINRC has won in 10 seats, while another ally AIADMK lost all 5 the constituencies it contested. Even in the run-up to the elections, the BJP was reluctant to endorse Rangasamy as the Chief Ministerial candidate.

It was keen on having a role in the selection of the Chief Minister post-elections.

While speculations were rife if the BJP would try to do a Manipur or Goa by wooing Independents, its Puducherry in-charge Nir-

mal Kumar Surana and Raja Sabha MP Rajeev Chandrasekhar put an end to it on Monday. They called on Rangasamy and extended support to him.

Later, in the evening, Rangasamy called on Lieutenant-Governor Tamilisai Soundararajan at Raj Nivas and submitted the letter of support of 16 legislators and staked claim to form the Government.

BJP leader A Namassivayam, who was among the defectors from the Congress, and newly-elected legislators, accompanied the Chief Minister-designate.

The Congress, which was in power until a few months ago before losing a vote of confidence, fared poorly winning just 2 of the 15 seats. Its ally DMK had a better strike rate bagging 6 seats. Surprisingly, 6 Independent candidates won the election.

**Minister's help sought for return of Kashmiri students to B'desh**

SRINAGAR: The Jammu and Kashmir Students Association (JKSA) on Monday wrote to External Affairs Minister S Jaishankar, requesting him to facilitate the travel of over 100 Kashmiri students studying in Bangladesh for their exams.

In its letter, the JKSA said exams in universities and medical colleges in Bangladesh will begin from May 31, after being postponed on April 3 and students said the new dates will be announced two weeks after Eid. Due to the second wave, hundreds of students had returned to India and now, new exam dates have been announced.

It reads the Bangladesh government has suspended air travel with India, students must be ensured a flight back as the future of students was at stake. "Keeping in view the above facts, we request your good self to resolve the issue on humanitarian grounds and facilitate our travel to Bangladesh. We request you to direct the concerned officials to act swiftly help Kashmiri students to attend examination on time," the letter read.

**MK Stalin to be elected DMK legislature party leader today**

N CHITHRA / Chennai

DMK president MK Stalin is set to be elected leader of the legislature party on Tuesday evening. A meeting of the newly-elected MLAs of the DMK has been convened to formally elect him as leader following which the party would stake claim to form the government. That would set in motion the process for the Governor inviting Stalin to be sworn in Chief Minister.

Tentatively May 7 has been fixed for the swearing-in ceremony that will be simple in nature and be held without much pomp and gaiety at the Raj Bhavan given the current second wave of Covid-19 pandemic. Sources said Stalin had quietly begun backroom work on the composition in the Cabinet. It is expected his first Cabinet would be a mix of representatives who are both experienced and old as well as some young faces.

"The DMK is a party that has a lot of veterans, some of whom have been winning elections since the 1970s and 1980s. It would be hard for Stalin to entirely ignore their claims for a ministerial berth. After all, they have

been out of power for 10 long years," said a senior leader, requesting anonymity. "Nonetheless, we are given to understand that this time around our leader is keen on having young faces in the Cabinet. There is a feeling the DMK is no longer able to capture the interest of the youth and first-time voters. To win them over, Stalin is likely to give representation to young and educated candidates like TRB Raaja and Dr Ezhilan," said a leader.

It is not yet certain if Stalin would also make his son and actor Udhayanidhi, a first-time MLA, a minister.

SIBSAGAR

Jailed anti-CAA activist Akhil Gogoi became the first Assamese to win an election without hitting the campaign trail, as he clinched the Sib-sagar constituency, defeating his nearest rival Surabhi Rajkonwari of the BJP by a decisive 11,875 votes.

The founder of the newly-floated Rajior Dal — arrested in December 2019 over sedition charges — bagged 57,219 votes as an Independent, garnering support from 46.06% of the electorate.

The Congress, which had initially backed the Rajior Dal chief, ended up giving ticket to Subhramitra Gogoi, who came third in the contest. The RTI activist, in an attempt to reach out to the people of the state, wrote several open letters from jail,

**Central observers to pick next CM**

NEW DELHI: The BJP is likely to finalise its choice of chief ministerial nominee for Assam in a day or two as internal consultation within the party has begun amid a suspense over if it will continue with incumbent chief minister Sarbananda Sonowal or bring in a new face.

Sonowal and his powerful ministerial colleague Himanta Biswa Sarma are being seen as the two most obvious contenders for the top job. Sources said internal confabulation is on in the party, and the its parliamentary board may soon name central observers to

highlighting problems that need to be addressed.

In addition, over 3.19 lakh candidates were declared elected unopposed, before the counting at 826 centres began on Sunday. The ruling BJP and the Aam Aadmi Party have claimed major wins in the polls held in 4 phases last month, amid Covid surge.

The state election commission said apart from those who faced no contest, 2,32,612 village panchayats members, 38,317 village pradhans, 55,926 kshetra panchayat members and 181 zila panchayat members have so far been declared elected.

**UP PANCHAYAT POLLS**

for over 2.23 lakh posts are yet to be out. Nearly 13 lakh candidates took part in the panchayat elections held on April 15, 19, 26 and 29.

Many were "nominated" or supported by the main political parties, but the panchayat elections were not held on party symbols. The BJP claimed 918 party candidates for zila panchayats have won and over 500 are leading. There are 3,050 district-level panchayat wards. In a statement, AAP Rajya Sabha MP Sanjay Singh said 70 party-supported candidates won zila panchayat members' posts and over 200 bagged village pradhan posts.

The claims by both parties could not be independently verified. The AAP said their winning zila panchayat candidates will be given a chance to contest next year's UP Assembly elections.

In the zila panchayat poll in Mainpuri, BJP candidate Sandhya Yadav, Samajwadi Party patriarch Mulayam Singh Yadav's niece, was defeated by SP's Pramod Yadav.

In Ballia, Leader of Opposition in state Assembly and SP leader Ram Govind Choudhary's son Ranjit Choudhary lost the polls for a district panchayat member's seat. He came 3rd in ward 16.

The kin of several other political leaders too were defeated in this district.

BJP MLA Dhananjay Kanaujia's mother Surya Kumari Devi lost the kshetra panchayat election.

OUR BUREAU/ NEW DELHI: The Supreme Court has stressed in the epilogue of its order released on Sunday on Covid-19 spread the Centre and the state government should immediately cease any direct or indirect threats of prosecution or arrest of the citizens airing their grievances or attempting to help fellow citizens receive medical aid.

**To save family, elderly couple commits suicide in Rajasthan**

MANISH GODHA / Jaipur

The ever-increasing Covid-19 cases and mismanagement in hospitals have taken its toll on the mental health of people so much so that an elderly couple committed suicide in Kota district of Rajasthan on Sunday.

The couple was Covid positive and took the extreme step to save the family, especially their grandson. Their bodies were recovered from a railway track near the Chambal river. The train driver informed the railway police about the incident. Police

performed their last rites according to corona guidelines. Investigation revealed the husband and wife, Hiralal Bairwa (75) and Shanti Bai (70), were infected. They approached the hospital for hospitalisation but were refused as their symptoms were normal. **Non-Covid woman dies on road as hosp denies admission**

**PILIBHIT (Uttar Pradesh):** A 55-year-old woman, suffering from a chronic renal disease, collapsed on the road and her body remained lying on the footpath for hours as the ambulance helpline service failed to respond to her husband's repeated calls.

The couple, marginal farmers, hailing from Kasimpur village, had travelled to Pilibhit city, after the woman, Laungshree complained of unbearable pain on Friday. "Since her health was deteriorating, I brought her to the hospital but the doctor

wrote out medicines without even examining her. When I asked him to admit my wife, he said she would be fine with the medicines he had prescribed and sent us back," said husband Brijesh Kumar.

Laungshree died on the footpath near the hospital and her husband made repeated calls to the ambulance helpline service for help but in vain. For nearly 3 hours after her death, Brijesh sat with his wife's body on the road.

A cop arranged an auto from his own pocket and sent the body to Kasimpur village.

**WAITING FOR TREATMENT, MAN DIES IN AMBULANCE**

**MEERUT (UP):** A middle-aged man died in the ambulance, waiting for medical attention at Lala Lajpat Rai Medical College in Meerut. Devendra Singh, 45, a resident of Ganganagar in Meerut was rushed to the emergency ward on Sunday. Devendra's health deteriorated in the morning. He was on oxygen support in the ambulance when he breathed his last. Heart-wrenching visuals of Devendra lying dead in the ambulance and family trying to calm down his inconsolable wife, who lost consciousness, surfaced on social media. "We waited here for over an hour but there was no one to attend. We got the registration done and spoke to doctors, who said there is neither any bed nor oxygen available. They (doctors) asked us to take our patient elsewhere," said a family member.
